Sir:

Applicants respectfully submit this Supplemental Information Disclosure Statement (IDS) pursuant to 37 C.F.R. §1.97 and 1.98 in order to comply with the duty of disclosure under 37 C.F.R. §1.56. Applicants have become aware of the documents set forth in this IDS in connection with the prosecution of the present patent application, and other co-pending applications. These citations, which are listed on the enclosed Forms PTO-08A and 08B, are being brought to the Examiner's attention for that reason. Applicants note that for the listed non-patent literature documents wherein a precise publication date was not available, applicants have included what applicants believe to be the best available date information, such as a posted copyright date. Applicants note that many of the citations are not prior art references, but have been disclosed in an abundance of caution. A copy of each reference is enclosed for the convenience of the Examiner.

Applicants respectfully request that the Examiner make these citations of record in the subject application. Early and favorable action is earnestly solicited.

Respectfully submitted
